- Window (1)

The screenshot shows a web application window titled "Lens Application". The interface is split into two panels. The left panel has a light green background with a faint leaf pattern and contains the text "Lens application" in a large, bold, dark green font, followed by "Welcome Back!" and "To keep connected with us please login with your personal info". A green "Sign in" button is at the bottom. The right panel has a light orange background with a faint leaf pattern and contains the "Create Account" form. The form includes fields for "Username", "Email", "Number", and "Password", each with a white input box. Below these fields are two radio buttons labeled "Photographer" and "Customer", and a green "Sign up" button at the bottom.

- Window (2)

The screenshot shows the same "Lens Application" window, but with the "Sign in" form active. The left panel now has a light orange background with a faint leaf pattern and contains the text "Sign in to Lens application" in a large, bold, dark green font, followed by "Hello, Friend !" and "You don't have an account? No worries, register with us now." A green "Sign up" button is at the bottom. The right panel has a light green background with a faint leaf pattern and contains the "Sign in" form. The form includes fields for "Username" and "Password", each with a white input box, and a green "Sign in" button at the bottom.
